

Deletion

Deleting uploads can be done by going to the "[My Uploads](#)" page.

1. On the "My Uploads" page, hover over the triple-dot icon beneath the upload you want to delete.
2. Click the trash can icon to delete the upload. A warning will appear telling you that deleted uploads can't be restored.
3. Click [Delete] to continue or [Cancel] to go back.
4. Alternately, you can click the edit icon, and then click the triple-dot icon the description box on the following page and select "Delete" from the drop-down menu. A warning will appear telling you that deleted uploads can't be restored.
5. Click [Delete] to continue or [Cancel] to go back.

Deleting an upload cannot be undone. If you mistakenly delete an upload, you will need to upload it again.
