

Introduction

 This user guide uses screenshots from the internal movingimage company portal as examples. CorporateTube is able to be configured a number of ways—your company's portal may have a different appearance from the screenshots used in this manual.

movingimage CorporateTube is a web-based video portal for company employees to watch, share, tag & rate videos, and upload their own content. It serves as a central hub for learning about company processes and products, and sharing information across departments and teams. The platform features a powerful search engine with filtering, sorting and search options to help users easily find relevant content.

The screenshot displays the movingimage CorporateTube web portal. The header features the movingimage logo with the tagline "Visualize Feedback, Share Knowledge, Show Your Work". A user profile for Elizabeth Walters is visible in the top right corner, along with language settings (EN) and a help icon. The navigation bar includes links for Home, Company, and Product, as well as an Upload button and a search icon. The main content area shows a video player for "The Videomanager Pro", which has 41 plays and was uploaded on 02/07/2018. The video description highlights the platform's capabilities for managing video metadata. To the right of the video player, there is a "Related videos" section listing several other videos, including "The Videomanager Pro App", "The Town Hall Meeting", and various tutorials. A "Comments" button is located at the bottom of the video player area.
