

# Overview

In the main CorporateTube Administration area, you can see an overview of all CorporateTubes that have been created for your organization.

Select the name of a CorporateTube from the left-hand menu to access its configuration.

You will see the following configurable areas:

- [Content](#)
- [Security](#)
- [Features](#)
- [Design](#)
  - Global
  - Font & Text
  - Header
  - Navigation
  - Content Area
  - Footer
  - Miscellaneous
