

Design

In the Design section you can customize the appearance of your CorporateTube portal.

- [Global](#)
- [Font & Text](#)
 - [Custom Font Upload](#)
 - [Font Settings](#)
- [Header](#)
- [Navigation](#)
- [Content Area](#)
- [Footer](#)
- [Miscellaneous](#)

Global

Global settings apply to every part of your CorporateTube portal's appearance. Here you can set your CorporateTube's favicon and define the radius of the rounded corners on form elements.

Global

Favicon

Upload

Supported favicon image formats: png/ico.

Rounded Corners on Form Elements

3px

Radius for rounded corners on all input fields and buttons.

DiscardSave

Note: Due to technical reasons, favicons that are configured in CorporateTube Administration can not be loaded and therefore displayed in Safari browser.

Font & Text

In this section you can customize the color and size of the text used throughout your CorporateTube portal.

Custom Font Upload

Here you can upload one or more custom fonts for use in the CorporateTube interface. To upload multiple formats of the same font, you must upload them simultaneously by multi-selecting them in the dialog box that appears. Supported font formats: .otf, .eot, .svg, .ttf, .woff, .woff2.

Custom Font Upload

If your font has several formats (e.g. eot, ttf, svg,...), select them all in the upload dialog. The font name will only be shown once in the user interface.
Supported formats: .otf, .eot, .svg, .ttf, .woff, .woff2

Add Custom Font

Font Settings

This configuration area allows you to customize the appearance of text in your CorporateTube. Any custom font you upload will be available for selection and use.

Supported formats: jpg/jpeg/png

Header Height (Desktop)

150px

Header Height (Mobile)

130px

Background Color

#FFFFFF

Color behind header image. Visible when no header image is set and on mobile views.

Logo Image

logo.svg

Supported formats: jpg/jpeg/png/svg.

Logo Width

250px

Set to Auto

The value must be entered in pixels. Click "Set to Auto" to use the file's width.

Logo Position

24px

Distance of the logo to the top of the page. The logo is always aligned to the left side of the header.
