Deleting a Player

To delete a player, proceed as follows:

1. First select the player in the navigation area, which you want to delete.

₽novingimage		elizabeth.walters@acme.com - Last Login: 13/11/2018 15:28		
🛇 All Players	0	🖽 Preview - Internal Training		
Acme Corporation	:			
Internal Training	:			
• Marketing	:			
Product Marketing	:	And the second sec		

2. Each player entry has a context navigation. Click the [:] -icon of the player, which you want to disable. This opens the context menu for the player.
